Iraq: Coalition Provisional Authority
Baghdad, Iraq
May, 2003 – June, 2004
Position: Senior Advisor for Health (SES-6)

Appointed by President George W. Bush to the Iraq Coalition Provisional Authority as the Senior Advisor for Health to the Ministry of Health in Iraq and as the Health Advisor to Ambassador Bremer, the Administrator of the Coalition Provisional Authority. Served in Iraq from June, 2003 to May, 2004. Served as the Acting Minister of Health from June, 2003-September, 2004. The Ministry of Health has 120,000 employees, 240 hospitals, 1200 preventive health clinics and provides all public health and forensic services to Iraq. 95% of Iraq's 26 million citizens receive health care from the Ministry.

Primary duties were providing leadership/direction/support/consultation in the reconstruction of health care in Iraq and setting a strategic process and health system in place with new leadership, values, strategic vision and plan. Also involved with developing the budget, assessment of hospitals, clinics and equipment, reorganization of the ministry, the strategic planning process, liaison

with other senior advisors within the Coalition Provisional Authority and the leadership of CJTF-7 (military). Supervised a senior advisor's staff of 35 from coalition countries including civilians and military. In addition served as the Coalition Provisional Authority's representative along with Iraqi leadership to the World Bank, United Nations, European Union, USAID, other governmental agencies, NGO's and donor countries including drafting and liaisoning with the funds for health from the United States Supplemental. Engaged extensively with the international media.

The Ministry of Health was the first ministry to successfully transfer to full Iraqi authority. Appointed by Ambassador Bremer to Chair for the Coalition Provisional Authority in partnership with the Iraq Governing Council the annual pilgrimage of Iraqi citizens to the Hajj in Saudi Arabia. Was a Department of Defense Employee liaisoning with the Office of the Undersecretary of Health Affairs within the Office of the Secretary of Defense.

Michigan Department of Community Health
Lewis Cass Building
320 S. Walnut
Lansing, Michigan 48913
Phone: (517) 335-0267
April, 1996 - January 1, 2003
Position: Director

In April, 1996, the Department of Community Health was established by Governor John Engler combining the Departments of Mental Health and Public Health. In addition, the Medical Services Administration (Medicaid) division of

the Michigan Family Independence Agency became part of the new department as well as the Michigan Drug Control Policy office. Recently, the Office of Services to the Aging became part of the Department of Community Health along with the Crime Victims Services Commission.

The Michigan Department of Community Health has a budget of \$9.2 billion. The department has 4,889 employees, and directs and purchases health care for low income and vulnerable persons such as the elderly and disabled, mentally ill, developmentally disabled, substance abusers, and high health-need children. The department contracts with private and public providers to deliver needed services. Responsibilities include overseeing all functions related to re-engineering, quality management, bio-terrorism, administration, budgeting, financial management, policy, legislation, planning and personnel issues. This position reports to Governor Engler and is a cabinet level position.

Michigan Department of Public Health
3423 N. Martin L. King Jr., Blvd.
P.O. Box 30195
Lansing, Michigan 48909
Phone: (517) 335-8024
June, 1995 - April, 1996
Position: Acting Director

Appointed to this cabinet-level position on June 26, 1995, by Governor John Engler. The Michigan Department of Public Health had a budget of \$688 million, and 1500 employees. The Michigan Department of Public Health contracted with 50 local public health offices to provide services, in addition to the many environmental, laboratory, infection control, and regulatory functions of the state. Responsibilities included overseeing all functions related to administration, budgeting, financial management, auditing, legislation, planning, and personnel issues.

Michigan Department of Mental Health
Lewis Cass Building, 6th Floor
320 S. Walnut
Lansing, MI 48913
Phone: (517) 373-3500
January, 1991 - April, 1996
Position: Director

Appointed to this cabinet-level position on January 1, 1991 by Governor John Engler. The Michigan Department of Mental Health had a budget of \$1.5 billion and 6,500 employees, and contracted with 55 community mental health boards to provide services. Over 170,000 persons are provided services by the

community mental health boards and through state owned psychiatric hospitals and centers for persons with developmental disabilities and adults and children experiencing mental illness. Responsibilities include overseeing all functions related to administration, budgeting, financial management, auditing, legislation, clinical, planning and personnel issues.

Bethany Christian Services
901 Eastern, NE
Grand Rapids, MI 49503
Phone: (616) 459-6273
October, 1985 – December, 1990
Position: Executive Director

Bethany Christian Services is a non-profit child and family service agency. Bethany Christian Services is licensed in over 30 states and has 65 offices. In Western Michigan services include residential care, foster care, refugee program services, family and individual counseling, adoptive services, day care and pregnancy counseling. Outside of Michigan, Bethany's offices primarily offer adoptive services, pregnancy counseling and foster care. Bethany is also involved in the adoptive placement of international children from several countries into the United States. Bethany is accredited by the Council on Accreditation.

Bethany's annual budget in 1990 was \$15,500,000 and funds are derived from various sources including contributions, adoptive fees and contracts with governmental agencies. Today the budget exceeds \$80,000,000.

Kent County Community Mental Health Services
728 Fuller, NE
Grand Rapids, Michigan 49503
Phone: (616) 774-3219
June, 1978 – October, 1985
Position: Executive Director

Kent County Community Mental Health Services provides mental health services through 24 contractual agencies in Kent County. The community mental health administration functions include planning, coordination, community relations, recipient rights, standards review, evaluation, as well as general management responsibilities. The annual budget was \$26,000,000 in 1995. Today it exceeds \$100 million.

Project REHAB
200 Eastern, SE
Grand Rapids, Michigan 49503
Phone: (616) 458-6177
May, 1971 – May, 1979
Position: Executive Director

Project REHAB is a private, non-profit substance use/abuse agency. In May, 1971, the staff consisted of five individuals and a budget of \$80,000. Project REHAB offers a variety of substance abuse counseling, prevention, residential, education, training and informational programs. Project REHAB continues to be a leader and operates programs in three cities. In 1979, the annual budget exceeded \$3 million. Today, it exceeds \$18 million.
